1.00pm	Self Leadership - it all starts with YOU
1.5 CPD hours	In the ever-evolving landscape of today's business world, this session illuminates a crucial concept – that your personal success and fulfilment hinge at the individual level, YOU. This session is a compass for empowering you to craft your success, both in your professional journey and personal life, reinforcing the belief that true leadership commences with leading yourself daily. Designed to provide you with essential tools, strategies, and mindset, this session positions you as the architect of your success. It goes beyond the confines of a business title, emphasising that leadership is a daily practice and a skill set that can be cultivated. Our exploration spans mindset, attitude, self-awareness, optimal self-conduct, resilience, and the art of turning challenges into growth opportunities. By instilling self-leadership as a daily habit, attendees will unlock the opportunity to step toward a more empowered, fulfilled YOU. Sue Kohn-Taylor, The Mental Fitness Company
