

# NZ LAW Member Advisory Panel – Fee Langstone

---

## The Offering

- Free (1hr) consultation on PI matters by Philippa Fee/ Matt Atkinson

This service applies to all staff with the prior consent of partners/directors (further attendances will engage the firm directly at usual hourly rates).

- Dedicated email addresses at Fee Langstone  
[nzlaw@feelangstone.co.nz](mailto:nzlaw@feelangstone.co.nz) *this is the preference for confidentiality reasons*

- Intention of the Proposal

Members of the NZ LAW/AON Group Liability Programme will be offered legal advice by Fee Langstone to help them manage difficult files or clients. In particular, the vexed area of conflict of interest.

The objective of the panel would be to assist the member to proactively manage an issue of concern to the member at an early stage and, in this way prevent it from developing into a much bigger problem.

We do not see assistance given by Fee Langstone as cutting across anything related to the member's insurance cover and (in particular) the obligation of the member to notify the insurer of any circumstance.

- The Proposal

Fee Langstone will provide members in the NZ LAW/AON Group Liability Programme (cost free) access to legal assistance from a panel of lawyers at Fee Langstone. The lawyers who would provide the advice to NZ LAW members would be senior lawyers or partners who are knowledgeable of the relevant professional rules, familiar with the kinds of practical issues which arise, and well-versed in pragmatic strategies to avoid, as much as possible, further complications. Each of the panel lawyers has an in-depth understanding of conflict of interests, in particular.
